## *Price List - Fall 1935*

# The Aristocrats of the Gladiolus World

## FLYING CLOUD FARMS

**BANCROFT WINSOR**

**Acushnet Station - - - - New Bedford, Mass., U. S. A.**

In response to many requests for prices before our 1936 catalogue, which will be issued as usual early in January, this list is being sent out. Stocks of many of the newer varieties are comparatively small and some customers want to order early to be sure of the varieties and sizes they desire, to be shipped as soon as cured or held until spring, but either way will avoid "Sold Out" being marked against the varieties or sizes one wants the most. The past few years, we have had many of the popular varieties completely sold out before the first of February. Honestly, I do not believe that average of prices will show much change in the spring, either up or down, but in order to be sure that you are not the loser, I am giving a generous discount in addition to my low prices and I will not be knowingly undersold. This list is a retail prepaid list, if you are interested in large lots or a large order, we will be glad to quote you prices. If you will pay the transportation just say so and I'll see that bulbs far in excess of this cost are included with your order.

If any customer is interested in growing for exhibition and desires Jumbo Bulbs, just mention it on the order blank, and we will send the largest bulbs we have, the sooner we have the order, the better chance to get these big bulbs, of course some varieties seldom make Jumbos. We had the most successful show season at New York and Boston that we ever enjoyed but find our time in the field among our seedlings and new varieties so important that we probably shall not exhibit extensively for a few years and so the bulbs we had grown especially for showing will be sent to those that desire big bulbs. Some prefer just a bare No. 1, but the bigger the better I like them, of course you must remember that the bulblets from these are not so plenty and that you will get two or more spikes usually unless you handle them specially, but more on this later.

We feel that our winnings prove you must have the newer varieties if you want to win. At Boston, showing almost entirely foreign varieties, we won six trophies, three gold medals, twenty-six firsts, thirteen seconds, and the N. E. G. S. show at Boston has been called the "quality show of America."

## TERMS

No order accepted for less than \$1.00 which must be accompanied by cash in full, and no single item for less than 20 cents. On orders of \$5.00 and up, we will accept 25% (twenty-five per cent) with the order, balance before shipment. We will prepay all orders to any point in United States or Canada. Five or more will be sold at the ten rate. Where bulbs, (not bulblets) are priced each, ten bulbs will be sold at eight times the single price; five bulbs or more at the ten rate. When there is a figure before the price of a variety as 2-20¢ or 5-25¢, etc., it means two bulbs or bulblets for twenty cents or five bulbs or bulblets for twenty-five cents as the case may be. Large bulbs will be 1¼" up, medium will be ¾" up, small will be ⅜" up, as long as available the larger bulbs of each grade will be used.

Please mark on the order whether you want bulbs shipped as soon as cured, probably early in December, or held until spring, we guarantee safe arrival at all times.

## SPECIAL FALL DISCOUNT

On orders from this list with full payment received before January 5th you may take cash discounts as follows:

**\$3.00 TO \$5.00 TAKE 20% OFF**

**\$5.00 TO \$25.00 TAKE 25% OFF**

**\$25.00 UP TAKE 30% OFF**

This is a real discount, add up your order and deduct the amount; it does not mean that you must add bulbs to the amount of the discount, as is usually the case.

## GRADED LOTS

The "GRADED LOTS" were so popular last season that we will again offer them; while this list is in effect we will put up 50 cent lots of any variety that doesn't exceed 25 cents for a single large bulb, and \$1.00 lots of any variety not exceeding 50 cents for a large bulb. The customers that had these lots last spring know the value they received, to others we will just say that they will be much in excess of the catalogue prices and contain a good assortment of sizes, if you wish part in bulblets please mention it as otherwise they will be made up entirely of bulbs.

Our MAILING LIST will be revised before our 1936 catalogue goes out in January, and will be sent only to those who have sent orders within the past few years or that have requested a catalogue within a year. Others will be dropped from my mailing list, but if you are still interested in receiving a copy and send a post card, we will be sure you receive one.

## LIST OF VARIETIES
